Presentation: Craig Thomas will discuss current economic and demographic trends in the Greater Pittsburgh area, focusing on events impacting the multifamily housing market and will touch on the national market as well.

Mr. Thomas is vice president and senior economist for the PNC Financial Services Group. He is responsible for contributing to PNC's regional economic analysis and forecasting for the 13 states and major metropolitan areas. In addition, Thomas focuses on economic issues related to residential and commercial real estate nationwide. He also assists with the analysis and forecasting of economic and financial market conditions and prospects.
